

AIRRIDE

AR

ULTIMATE VERSATILITY.

Househam AirRide models are best sellers for a reason. They're incredibly versatile and packed with productivity boosting features.

HIGH CAPACITY SPRAY SYSTEM

- ◆ 3000L, 3500L, 4000L GRP tank (stainless steel tank capacities also available up to 6000L)
- ◆ Additional clean water tank with approximate 10% capacity of main tank
- ◆ 24 - 30m twin fold boom or up to 36m triple fold with variable geometry boom levelling
- ◆ In cab tank cleaning functions including boom flush, tank wash and tank rinse
- ◆ Recirculating booms for instant spray at the required pressure
- ◆ Easily demountable spray pack

LOW SOIL COMPACTION

- ◆ From 6600kg dry weight
- ◆ Low weight chassis construction for optimised weight distribution
- ◆ All premium wheel and tyre combinations available

THE POWER TO PERFORM

- ◆ Efficient MTU 4R1000 Stage V 170- 228hp 4 cylinder engine adhering to all latest emission legislation (up to 280hp 6 cylinder optional)
- ◆ Poclain or optional Sauer Danfoss wheel motors with Bonfiglioli reduction gearboxes
- ◆ Optional Househam Intelligent Transmission System (HITS) with traction and two-speed cruise control

CLASS LEADING RIDE ON ROAD OR FIELD

- ◆ Market leading self levelling air suspension system
- ◆ Low centre of gravity ensures stability whatever the terrain
- ◆ Superb high speed road stability

CLEARANCE AND MANEUVERABILITY

- ◆ High clearance up to 1.8m
- ◆ Long and short wheelbase options
- ◆ 3.5m turning radius
- ◆ Manual or hydraulic adjustable axles from 72 - 90" with additional track widths up to 144"

ADVANCED SPRAYER TECHNOLOGY

- ◆ High precision spray system featuring automatic control of multiple sections up to Individual Nozzle Control (INC)
- ◆ Twin or quad line Auto Nozzle Select (ANS)
- ◆ Automatic boom levelling via ultrasonic sensors
- ◆ Spray Pilot hydraulically controlled automatic steering system
- ◆ Househam's touch screen TMC V6
- ◆ Optional NavGuide GPS mapping and light-bar guidance
- ◆ Standard, Advanced and Ultra lighting packages

OPERATOR COMFORT

- ◆ CLAAS Jaguar X10 Cab
- ◆ Spacious, quiet and fully air-conditioned cab
- ◆ Panoramic visibility
- ◆ High back, air suspended seat
- ◆ Fully integrated armrest, joystick and control panels
- ◆ 27 litre high capacity fridge
- ◆ Bluetooth connectivity
- ◆ Optional Category 4 filtration
- ◆ Full LED lighting as standard
